Level III Students:

Please see that any lunch (or other) fees you have accrued at your practicum school are paid in full before you complete your Level III practicum. Have the school secretary sign this form to verify that fees have been paid. Return the signed form to the USU TEAL Advisement Center (EDUC 373) by the last day of finals week. If you fail to turn in this form or pay your debts by the appropriate date, there will be action taken against you resulting either in your not receiving grades for Level III or not being permitted to continue on to Level IV.

I verify that ______________________________ has paid all lunch (or other) fees that he/she has accrued during his/her Level III practicum at __________________.  

School Secretary Signature: ____________________________    Date: _________
